

**PLP® CUE CARD**

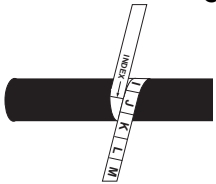

**POCKET GUIDE - FOR ARMADILLO® SEALING WASHER END PLATES**

Use this CUE CARD as a field work sheet. It should complement your Application Procedure but not act as an application procedure in itself.

**DIRECTIONS:**

- 1 - Use the ARMADILLO Closure Measure Tape to determine the Index letter for each cable.
- 2 - Simply mark the Index Letter in the appropriate entry port on the enclosed end plate illustrations.
- 3 - Make sure your information is correct for both office and field end plates.

**PROPER PLANNING LEADS TO CORRECT INSTALLATION**

**Example:**  
The Index Letter is "J".

If the Index line falls on a line, use the next letter.

**TARJETA DE GUIA PLP®**

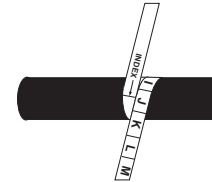

**Cubierta de emplame ARMADILLO®  
Guía de bolsillo para los discos laterales no taladrables**

Use esta TARJETA GUIA para los trabajos de empalme. Es solamente un complemento y no sustituye al "Procedimiento de Instalación".

**INSTRUCCIONES:**

- 1 - Use la cinta de medir incluida en la cubierta de empalme ARMADILLO para determinar la letra correspondiente para cada cable.
- 2 - Simplemente marque la letra correspondiente en los dibujos de los discos laterales.
- 3 - Asegurece que la informacion sea correcta para ambos discos laterales, Oficina Central y terreno.

**UN PLANIFICACION ADECUADA LE AYUDARA EFECTUAR UNA INSTALACION CORRECTA**

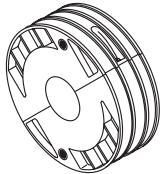

**Ejemplo:** El área indicada con la cinta es "J".

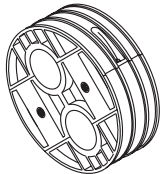

Si la línea de indice cae en una línea, use la proxima letra.

**OFFICE**

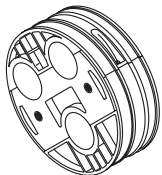

Mark the Index Letter in the appropriate cable entry ports.
