

# REDDI™ Seal and Aerial REDDI™ Closure

## Re-entry Kits

When re-entry of the REDDI Seal is required, a separate kit must be purchased to assure a proper seal. Kits are available for all four diameter sizes of REDDI Seal: 4", 6.5" and 9.5" (standard and S-T-R-E-T-C-H). Re-entry kits are not interchangeable with the REDDI Closure.

Kit includes:

1. End seal
2. LOCK-TAPE Sealant supply
3. Flange seal
4. Cue Cards
5. Funnel
6. Disposable plastic gloves
7. Closing clamps

## LOCK-TAPE System

LOCK-TAPE Sealant is supplied for both the cut End Plate and the cable. When properly applied, a gasket-like seal will be formed, actually locking the End Plate to the cable. LOCK-TAPE Sealant strips and rolls are supplied with the PREFORMED Splice Case Kit, REDDI Seal Kit and REDDI Closure Kit. It is also available in replacement kits or in individual rolls. (Refer to the REDDI Seal Parts chart.)

REDDI Seal Re-entry Kits	
Catalog Number	REDDI Seal/Closure Size (mm)
8003020	4" x 25.8" (102 x 655)
