**Selection Guide Instructions:**

1. Determine the Module Series by matching the dimensions to the size range (left column, below).
2. Select number of modules to mount (move across chart)
   - Note - **UTPM Configuration block**, which includes the standard pipe size, layout and price.
3. Determine Top-of-Pole Mount part number to order using **Ordering Guidelines Block** (to the right).

   Refer to Options page on back for more details.

Prices subject to change without notice.
