

**PREFORMED** LINE PRODUCTS

Preformed Line Products (GB) Ltd

Preformed Line Products (Great Britain) Limited

A message to our valued customers and partners

The safety and health of our employees, customers, suppliers and their families is of primary importance to all of us. Preformed Line Products globally has been identified as a supplier to critical industries, i.e. energy and communication utilities in many of its manufacturing locations.

As such, we are observing the local Government's COVID-19 recommendations in all our global facilities.

Preformed Line Products (GB) has followed the UK Government's COVID-19 recommendations and has opened its factory for operation taking appropriate action to minimise personal interaction.

All our office staff are now working from home and are contactable via email and mobile phone.

To discuss any urgent requirements our sales team are contactable via email and mobile:

UK Sales – Andy Witcher [awitcher@preformed.com](mailto:awitcher@preformed.com) - +44 (0) 7436 099565

Export Sales – Trevor Taljaard [ttaljaard@preformed.com](mailto:ttaljaard@preformed.com) – +44 (0) 7436 100094

Telecommunication Sales - Andy Parr [aparr@preformed.com](mailto:aparr@preformed.com) – +44 (0) 7493 971226

Travel has been restricted and visits to our facilities are on hold.

Preformed Line Products (GB) are dedicated to continuing to support our customers in the current circumstances however, due to factors outside of our control some customers may experience delivery delays.

We would like to thank our customers for their understanding during this time, and we will endeavour to ensure that delays are minimised as much as possible whilst maintaining a safe environment for our employees to work in.
